Introductory Statement:

To Students and Parents:

This handbook is designed to acquaint you with Cascade School District 3 & B (referred to as “the District” throughout this document). The Cascade Student Handbook contains information that students and parents are likely to need during the school year. Throughout the handbook, the term “The student's parent” is used to refer to the parent, legal guardian, caretaker relative or other person who has agreed to assume school-related responsibility for a student. The Student Handbook is designed to be in harmony with Board policy. *Please be aware that this document is updated annually, while policy adoption and revision is an ongoing process. Therefore, any changes in policy that affect student handbook provisions will be made available to students and parents through other information communications. These changes will generally supersede provisions found in this handbook that have been made obsolete by newly adopted policy.*

A copy of the District’s Policy Manual is available in the District office, on the school website, and the school library. In case of conflict between Board policy or any provisions of student handbooks, the provision of Board policy is followed.

The following have been designated to coordinate compliance with these legal requirements, including Title VI, Title VII, Title IX, and other civil rights or discrimination issues, the Americans with Disabilities Act and may be contacted at the Cascade Superintendent office for additional information and/or compliance issues:

Title VI (Social Security): Karsen Floerchinger
Title VII, Civil Rights or Discrimination Issues: Levi Collins
Title IX: Michael Wilson
Equal Employment Opportunities (EEO): Levi Collins
Americans with Disabilities Act: Levi Collins

Cascade Public School does not discriminate on the basis of race, religion, color, ethnicity, sex or disability in providing education services, activities, and programs, including vocational programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; Section 504 of the Rehabilitation Act of 1973, as amended.

School Song

(Sung to the tune of ‘Stars and Stripes Forever’)

*Hurrah for the Black and the Gold
May it Stand for Our Colors Forever
The Colors That Never Go Back
We Shall Conquer it all For Them
We Never Shall Suffer Defeat
While Upheld by Our Loyal Endeavors
Our Opponents We Know We Can Beat
The Black and Gold Will Clear the Tracks Again Forever*

I. Academic Requirements

ELEMENTARY SCHOOL

A program of instruction will be conducted throughout the District which meets the standards set forth by the Office of Public Instruction. Kindergarten students are introduced to reading, writing, math, science, English, music, art and socializing with other students. These areas are expanded each year the student progresses to another grade.

Elementary Honor Roll

Earning all A's or all A's and B's will be used to determine 4-6 grade elementary honor roll.

JUNIOR HIGH AND HIGH SCHOOL

- Students must carry at least 7 class periods per day per semester.
- (24) credits are required for graduation.
- Standard diplomas will be issued to students who have completed graduation requirements.
- Students suspended from a class will receive a S/F (suspended-failed) notation on their transcript.
- A maximum of 2 high school periods per semester will be accepted following the regulations attended below (Alternative Means for Earning High School Credit).
- Selected 8th Grade students may take advanced level (HS) Math classes, however these classes will NOT count toward the 3 Credit HS Graduation requirements. The three (3) HS Math credits must be obtained while attending the high school.

Alternative Means for Earning High School Credits

It is recognized that the best possible means for earning credit for graduation from Cascade High School is to do so while attending regular classes during the day. Opportunities for earning credit by an alternative method are discouraged, but may be granted under the following circumstances:

- A student needs an alternate method to obtain an additional number of credits for graduation.
- A student needs to repeat a required course for graduation.

- An alternate method of earning credit will be granted only if it is not possible to take the class while in regular attendance at Cascade High School.

The alternate course must be a class required for graduation or completion of the Montana University System college prep program. 8th grade math credits will not be included in the cumulative High School grade point average.

The following alternatives exist for earning high school course credit:

Summer School

Summer School courses are discouraged unless unusual circumstances are demonstrated by the student. Courses taken should follow the curriculum at Cascade High School as closely as possible. A student may not earn more than two (2) credits toward graduation from summer school courses. Prior to enrollment in summer school courses, the signed approval of the student and administrator is required. Evidence of successful completion must be provided directly to Cascade High School from the institution providing the summer school course before credit will be granted. Summer school courses must be acquired and completed with accredited institutions.

Online Electives

At this time, students will only be able to sign up for no more than two classes. Students will be allowed to sign up for MTDA classes for credit recovery and credit enhancement. Those interested in the coursework offerings need to contact Counselor. MTDA classes are approved by the Principal. If the MTDA class counts towards graduation credits, the school will cover the fee of the course. If an MTDA class is available as a regular CHS course offering, students must take the course at CHS. Exceptions to this condition will be considered in extreme circumstances.

Dual Enrollment classes are offered through Great Falls College. To be eligible for these classes you must be at least 16 years of age or a high school junior. Only courses numbered 100 and above are eligible for dual credit. Some courses require placement scores from the ACT or Accuplacer. See the counselor to schedule your Accuplacer exam if you need to test into a course. The student is responsible for Great Falls College fees.

Advanced Placement (AP) Courses

The rigorous Advanced Placement course curriculums and exams are authorized and audited by the College Board. Students in AP courses can earn college credit allowing for greater flexibility when enrolled in college. Eligibility: Students are eligible to enroll in AP courses in any one of three ways.

- Submit a recommendation to the AP course teacher from a prior teacher in the content area, e.g. to enroll in AP Government, usually taken as a Senior, receive a recommendation from any prior social sciences teacher
- Maintain a 3.5 grade point average (GPA) in the content area of the course, e.g. to enroll in AP English Literature and Composition, the student can demonstrate a 3.5 GPA in English I and English II
- Compose a written narrative to the AP course teacher of no less than one page explaining to the AP teacher why he or she wants to enroll in the course.

Testing Requirements: Advanced Placement courses allow students to experience a college level curriculum with college level testing expectations. All students in all AP courses must take a final exam. They may choose between the College Board exam or the teacher prepared final exam.

College Board exam. This final exam is authorized and scored by the College Board. Depending upon the results, a student can earn up to four college credits and in most cases, be excused from taking that course in college. Students in the Free/Reduced Lunch program may take the exam at no cost. All other students are

responsible for covering the cost of the testing fee, which is set by the College Board. College credits cannot be earned without taking this exam. Students choosing not to take the College Board exam must take a final exam written by the AP teacher. This test will be scored and averaged into the student's final grade. The teacher has the discretion of determining the weight given to the final exam grade.

Grading: Because AP courses are more rigorous and demanding, students will receive a weighted numerical value toward their grade point average for each AP class taken. Students must take the AP exam and score a 3 or higher for the following GPA weight to apply.

A = 5.0 pts; B = 4.0 pts; C = 3.0 pts; D = 2.0 pts; F = 0.0 pts

Only those courses approved and audited as AP by the College Board process can have the 5.0-point value. Students and parents are encouraged to contact the principal for questions and additional information.

Junior High and High School Marking/Grading Policy

Used by all Junior High and High School instructors to figure period grades for report cards.

A+	98-100%	C+	77-79%
A	94-97%	C	73-76%
A-	90-93%	C-	70-72%
B+	87-89%	D+	67-69%
B	83-86%	D	63-66%
B-	80-82%	D-	60-62%
P	60-100%	F	0-59%

Junior High is graded by quarter. All junior high classes are used to calculate GPA.

Grades

All quarter and semester grades are due at the end of that grading period. Only the principal may grant exceptions.

Honor Roll

GPA 3.5 and higher will be used to determine Junior High and High School honor roll.

Eighth Grade Celebration

Eighth Grade celebration exercises will be held during the last week of school. Eighth graders will not return to school on the days following promotion unless directed to do so by the principal. The District will provide certificates. All other expenses will be paid by the 8th grade class.

Graduation

It is the responsibility of the senior class to purchase the individual flowers for their graduation. Caps and gowns may be purchased by the class or by each individual. Stage flowers will be provided by the school. Seniors must meet all graduation requirements to participate in graduation ceremonies.

Valedictorian and Salutatorian are selected at the end of seven semesters by numerical grade equivalent. Physical Education, teacher's aide and Drivers Education are not considered. To be eligible, the student must be in attendance for three (3) consecutive semesters prior to graduation at Cascade High School and be enrolled on a full-time basis. Once chosen, student must maintain the rank standing for the remainder of the school year.

II. Attendance

ADMITTANCE TO THE DISTRICT

Age Requirements

The public schools of the state of Montana may be open to all children and youth between the ages of 6 and 19 years. Children must have reached their sixth birthday on or before September 10th of the current school year before being eligible to enter first grade.

Transfer students who have been enrolled in another community who do not meet the above cut-off date will be accepted in our first grade. Students residing in our community and enrolled in another school because of a later cut-off date will not be accepted if they were to transfer to our school after a short period of time. This would be taking deliberate advantage of our original policy. Students entering Kindergarten 1 will be allowed to enter our school if they have reached their 4th birthday by September 10th of the current school year. Under no circumstances will any student enrolled in Kindergarten 1 be permitted to advance to the 1st grade the following year. Students entering kindergarten will be allowed to enter our school if they have reached their 5th birthday by September 10th of the current school year. Kindergarten is offered by board discretion rather than required by state law.

The District will not assign or admit any child who has reached his/her 19th birthday on or prior to September 10th of the year in which the child is to enroll. A student turning 19 during the school year, must have the appropriate credits and be on track to graduate with peers in order to enroll for that school year. All new and transfer students must be approved by the administration before being allowed to enroll in school.

Any out of District Junior High or High School student (with the exception of students in Lewis and Clark County, as we have standing attendance agreements with Craig and Wolf Creek School Districts) must be approved by the administration.

Certified Copy of Birth Certificate and Complete Immunization

The District requires that a student's parents, legal guardian, or legal custodian present proof of identity of the child (certified copy of birth certificate) to the school for enrollment.

Under law, all students entering school for the first time are required to present certification from a licensed physician or an authorized representative of the Department of Health or local health department stating that the child has received immunizations against communicable diseases as specified by the Department of Health. A pupil will be exempted from the above requirement only upon submission of (1) certification from a licensed physician that the physical condition of the child is such that immunizations would endanger the child's life or health; or (2) an annual notarized statement signed by one parent or guardian that the child is an adherent to a religious belief whose teachings are opposed to immunizations.

Immunization documentation of protection against measles and rubella with 2 doses, 1st dose of vaccine on or after 1st birthday, is now required for vo-tech centers, colleges and universities as well as elementary and secondary school. 4 doses of DTap, DT, Td or Tdap, only if the 4 dose is given on or after 4th birthday. If a student is 7 years or older who has not completed the DTap requirements, he/she must receive additional doses of Tdap or Td vaccine to become current. 3 doses of the polio vaccine, only if the 3rd dose is given on or after the 4th birthday. Students entering 7th grade will need a Tdap vaccine if they haven't received one within the past five years.

As of October 1, 2015; Students in kindergarten through 12th grade will need to have 2 doses of the varicella vaccine. If your child has had the chickenpox virus you may submit documentation by having your medical provider complete the approved "History of Varicella" form.

PART-TIME STUDENTS

(Board Policy #3150)

It is the desire of the Board to accommodate the educational needs of all students residing within District boundaries who are not otherwise enrolled in a public educational program. The District will not accept students eligible to enroll in grades K-6 on a part-time basis unless they are disabled. The District will review requests for part-time enrollment of grade 7-12 students on a case-by-case basis. Registered home school or private school students in the District may seek to enroll and be approved for enrollment on a part-time basis. The Admissions Committee will review requests for part-time enrollment of students, with the Superintendent/Principal making the final decision.

As per Board policy, a part-time student cannot receive honors and awards reserved for full-time students, including but not limited to participating in Grade 8 or Cascade High School graduation/commencement ceremonies.

ATTENDANCE POLICY

Students are responsible for attending class. The learning experiences that take place in the classroom environment are an essential part of the educational process. Absences and tardiness tend to disrupt the continuity of the instructional program and the time lost from class is irretrievable, particularly in terms of opportunity for interaction and exchange of ideas between students and teachers. Missing class hinders a student's ability to master the subject matter, and this may be reflected in the grade.

Grades earned in any course should reflect the student's fulfillment of academic requirements, achievement, and daily participation. It is the student's responsibility to develop time management skills, a productive work ethic and accountability for successful preparation for graduation and beyond. The administration does not condone absences that detract from our academics. Such absences include, but are not limited to: skip days, shopping, work (on a job or at home), moving, banking, oversleeping, haircut, tanning, and manicure appointments. **It is also appropriate that family vacations be taken only during school breaks.**

Students must not leave school during class periods or between classes unless they have reported to the office and received permission from the administration. Students who leave the school building without checking out will accrue an unexcused absence and will be subject to the consequences as for any other unexcused absences. The Cascade County Sheriff's Department will be called to locate any student who cannot be located within 30 minutes of being reported as missing from an assigned class or area.

Attendance the Day of an Activity

Students must be present for a FULL day (present in seven periods) of school in order to participate in ANY extracurricular activities, including practices. If an activity takes place on a non-school day, the student must be present for a FULL day (present in seven periods) of school on the school day prior to the activity. In cases where a medical note cannot be provided (i.e.: bereavement or family emergency) the student must receive **prior approval from the administration**. Exceptions may be granted by administration for extenuating circumstances. A student who leaves school early or arrives at school late due to an illness, not feeling well, or too tired, is considered too ill to participate in athletics/activities that day and shall not be allowed to attend a practice or contest. Any student who reaches 8 absence days per period per semester will not be allowed to travel on any trips outside of the school or participate in any extra-curricular or co-curricular activities without the principal's written approval.

Students must not leave school during class periods or between classes unless they have reported to the office and received permission from the administration. Students who leave the school building without checking out will accrue an unexcused absence and will be subject to the consequences as for any other unexcused absences. The Cascade County Sheriff's Department will be called to locate any student who cannot be located within 30 minutes of being reported as missing from an assigned class or area.

If a student is absent any portion of a school day in which a team practice or extracurricular contest is scheduled, and the absence is caused from an illness (especially contagious coughs and colds, flu-like illnesses, fever, respiratory illness, chicken pox, pink eye), he or she is not permitted to attend after school practices or participate in the event. If a student is not well enough to attend school he/she is not well enough to attend a team practice or competition either. Documentation from a doctor's office stating the student is not contagious to others must be provided in order to excuse him/her from this requirement.

If a student athlete is injured during an athletic practice or event, and seeks medical advice, that student athlete may not return to practice or contests until the District receives documentation from a doctor releasing that student to full participation.

Students participating in events that return home late at night must be in school at the regular time the following day unless prior approval is given by the administration. In such cases, arrangements should be made by the coach or advisor with the administration ahead of time.

ABSENCES

Reporting Absences

Students without a phone must bring a note signed by their parent or guardian stating the specific reason for the absence on the day of return. Families with phones should have a parent or guardian call by 8:30 AM as specified by the Missing Children policy.

Students 18 years or older and living with their parent(s) or a guardian may not call themselves in to miss school for any reason. If you are 18 years or older and live on your own, you may call yourself in to miss school, but if attendance extends past the five days per quarter your absences will be marked as unexcused unless you provide documentation from a doctor's office, court clerk, etc.

Siblings are not permitted to excuse each other. Please send a note, not a verbal message.

Please do not send students to school if they are ill or have been exposed to a contagious illness. Students missing three consecutive days for injury or illness may be offered help through the school tutoring services. Students absent for 10 consecutive days will be dropped from the rolls (as per state law).

Students are expected to attend all assigned classes each day. Teachers shall keep a record of absence and tardiness. Before the end of the school day, the secretary shall attempt to contact every parent, guardian, or custodian whose child has not reported the child as absent. This is to determine whether the parent, guardian, or custodian is aware of the child's absence from school.

Classification of Absences

Absence: Students will be marked as unexcused until parent notification is received. Notification must be within 24 hours.

Tardy: not in the classroom/seat by the time the bell rings and up to 10 minutes after the bell rings.

Excused Absence: Caused by illness, family emergency, medical and/or weather. All other absences will be considered unexcused.

Unexcused Absence: Caused by truancy, skipping, or failure to verify an excused absence in a timely manner. Students **MUST** complete make-up work immediately upon their return.

School Related: This is an absence involving participation in school-sponsored activities. Students under school sponsorship are automatically excused. Students away from school in this category are considered present. However, individual teachers (with prior notice) may require students to complete work before the students are absent for the activity.

Attendance Flowchart

<p>Number of excused or unexcused absences per class period</p>	<p>Attendance Flowchart</p>
<p>1-6</p>	<p>Call from the attendance office or automated dialer (this happens for each absence starting at 1.) Classroom teacher recognizes that absences may be a concern with the student. Teacher conferences with the student and documents the contact. Teacher may contact parent/guardian at this point. Teacher documents the contact. Teacher explains to student opportunities for making up missed classwork (if parent/guardian is contacted that may be explained to them as well.)</p>
<p>7-8</p>	<p>Call from the attendance office or automated dialer (this happens for each absence starting at 1.) Classroom teacher recognizes that absences are a concern with the student. Teacher conferences with the student and documents the contact. Teacher will contact parents/guardians. Teacher documents the contact. Teacher explains to student and parent/guardian opportunities for making up missed classwork. Teacher will assign classroom intervention if the student is behind academically (i.e. contract, Saturday school, detention, etc.) Teacher notifies both the student and parent/guardian of the intervention type and time. Classroom teacher notifies the Principal. The Principal may visit with the student and the parent/guardian. The Principal will document the visit.</p>
<p>9-12</p>	<p>Call from the attendance office or automated dialer (this happens for each absence starting at 1.) Teacher continues to conference with the student and parent/guardian regarding absences, opportunities for make-up, and class status. The Principal will conference with the student and the parent/guardian. The principal will document the conference. Interventions may be assigned by the Principal (i.e. medical only, contract, Saturday school, detention, etc.) The principal notifies both the student and parent/guardian of the intervention type and time.</p>
<p>More than 12</p>	<p>Call from the attendance office or automated dialer (this happens for each absence starting at 1.) Interventions may be assigned by the Principal (i.e. medical only, contract, Saturday school, detention, etc.) The principal notifies both the student and parent/guardian of the intervention type and time. If a student has an “A”, “B”, or “C” in a class, the letter grade will be reflected as a “P” and the student receives credit; however, that letter will be reflected as a 2.0 on GPA. Students receiving an “F” will not receive credit. Possible truancy citation by law enforcement/SRO.</p>

School District **Policy #3215** provides for a uniform grievance procedure that can be initiated in the event that the parent or guardian has a complaint about how this attendance policy is implemented. The parents of students in grades K1-12 are strongly encouraged to send their children every day that school is in session. Teaching

cannot take place and learning will not happen if the child is not present on a daily basis. Every day is important. A child's academic success, social growth, and development as an individual can only progress with a commitment to faithfully attend school. Parents are asked to keep children home during bouts of illness so as not to spread disease or sickness to other children. Make-up work can always be arranged with the classroom teacher.

Tardy Policy

- All tardiness will be considered unexcused unless extenuating circumstances warrant otherwise.
- Students arriving late due to a bus arriving late are NOT considered tardy.
- Students detained by another teacher must obtain a written pass from that teacher or this will be considered an unexcused tardy.
- Any student who is 10 minutes tardy to a class will receive an unexcused absence for that class. The teacher will record the absence.
- Three unexcused tardies in one class constitutes an unexcused absence in that class. This is cumulative for the semester.

For students who are tardy to any class, detention will be served the following day. A student will serve one lunch detention for every tardy they receive to any class.

Make-Up Work

It is reasonable to expect that some coursework cannot be replicated due to the nature of the assignment. However, it is the student's responsibility to inquire about make-up course work. The student should know assignment expectations and due dates. Students must make prior arrangements with their teacher for planned absences. If the student has a pre-assigned assignment due during an absence, the student will submit the completed assignment upon returning to school.

Students must make prior arrangements for assignments on extended absences. Parents and students will be notified of any assignments that are not turned in by the due date.

III. Code of Conduct for All Students

The District's code of conduct and discipline is established to achieve and maintain order in the school. Persistent or repeated violations of the rules of conduct may result in increasingly serious penalties. The District has jurisdiction over its students during the regular school day and while going to and from school on District transportation. This jurisdiction includes any activity during the normal school day, attendance at any school related activity regardless of time or location, and any school related misconduct, regardless of time and location will be dealt with.

General Information:

- A complete list of student policy is found in the Board Policy, a copy of which is in the library, the administrative office and on the school website.

SCHOOL-WIDE DISCIPLINE PROCESS

We believe that effective schools have unconditional positive regard for students, treat all students with dignity and respect, and maintain a positive and proactive focus in developing socially and academically competent students.

All staff will apply the guidelines below when faced with a student discipline issue. Throughout the school year, students and staff will participate in an ongoing program of positive behavior supports, motivation, and skill-building to nurture and promote a positive school climate, responsibility and respect. To implement behavior supports on a daily, school-wide basis, all staff will apply the guidelines below to determine the level of intervention a student discipline issue may warrant.

Elementary Behavior Matrix

Below is a tiered discipline matrix for students in grades K1-6th. Minor infractions will result in a “Tune-up” slip sent home for parents to sign and return to school. The purpose of the “Tune- up” slip is to keep parents informed of student's minor behavior infractions and to give parents opportunities to address these behavior issues at home. Major infractions will result in detention/suspension at the discretion of the principal. The principal will notify parents of students who commit major infractions.

Possession of a Weapon in School Building

The District will refer to law enforcement for immediate prosecution of any person who possesses, carries, or stores a weapon in a school building, except as provided below, and the District may take disciplinary action as well in the case of a student. In addition, the District will refer for possible prosecution a parent or guardian of any minor violating this policy on grounds of allowing a minor to possess, carry, or store a weapon in a school building. For the purposes of this section only, "school building" means all buildings owned or leased by a local school district that are used for instruction or for student activities; "weapon" means any object, device, or instrument designed as a weapon or through its use is capable of threatening or producing bodily harm or which may be used to inflict self-injury, including but not limited to any firearm, whether loaded or unloaded; air guns; pellet guns; BB guns; fake (facsimile) weapons; all knives; blades; clubs; metal knuckles; nunchaku; throwing stars; explosives; fireworks; mace or other propellants; stun guns; ammunition; poisons; chains; arrows; and objects that have been modified to serve as a weapon.

No person shall possess, use, or distribute any object, device, or instrument having the appearance of a weapon, and such objects, devices, or instruments shall be treated as weapons, including but not limited to weapons listed above which are broken or non-functional, look-alike guns; toy guns; and any object that is a facsimile of a real weapon. All persons who wish to possess, carry, or store a weapon in a school building must request permission of the Board at a regular meeting. The Board has sole discretion in deciding whether to allow a person to possess, carry, or store a weapon in a school building. This policy does not apply to on-duty law enforcement personnel. The Board grants authority to any teacher and to any other school personnel to impose on students under their charge any disciplinary measure, other than suspension or expulsion, corporal punishment, or in-school suspension, that is appropriate and in accordance with policies and rules on student discipline. The Board authorizes teachers to remove students from classrooms for disruptive behavior. This information shall be provided to other governmental agencies as required by law.

The use of hand signals, graffiti or the presence of any apparel, jewelry, accessory or manner of grooming which, by virtue of its color, arrangement, trademark, symbol or other attribute which indicates or implies membership or affiliation with such a group presents a clear and present danger. This is contrary to the school environment and educational objectives and creates an atmosphere where unlawful acts of violations of school regulation may occur. The superintendent will establish procedures and regulations to ensure that any student causing and/or participating in activities which intimidate or affect the attendance of another student, will be subject to disciplinary action.

Search and Seizure

(School Board Policy #3231)

In the interest of promoting student safety and attempting to ensure that schools are safe and drug free, District officials may from time to time conduct searches. Such searches are conducted without a warrant and as permitted by law.

IV. Extracurricular

The District offers many different activities and clubs for interested students, including student government and service organizations. All student activities must be supervised by a staff member.

Students participating in school activities and riding a school bus must depart and return on the activity bus. Students not returning on the activity bus must follow the activity handbook requirements.

STUDENT ELIGIBILITY/EXTRACURRICULAR PROCEDURES

In order to be eligible for activities a student must be in regular attendance at school. Eligibility for passing will be determined weekly. The District eligibility rules apply to all extracurricular (athletics) and co-curricular (clubs, organizations, Science Fair, Pep/Cheer, band, choir, etc.) activities. Students not meeting District eligibility requirements are allowed to participate in practice. Ineligible students-will not participate in any activity or contest representing the District or any cocurricular activity taking place outside class time. Students in co-curricular activities are not allowed to participate in an activity that takes place outside the regularly scheduled class time.

Academic Eligibility Policy

A student must be receiving a passing grade in ALL classes and maintain at least a 2.0 GPA. Eligibility for passing and GPA will be determined weekly beginning on the third week of each quarter. The Activities Director will print off an Activity Eligibility Report by 10 am every Tuesday during the season. This report will show all participants with a failing grade in any classes. If their name appears on the list, in any class, they will be ineligible for participation in any activities until the following Monday afternoon. Students and parents should continually monitor “Infinite Campus”, MTDA, AP and Dual Credit classes so they are aware of what their student athletes’ grades are in each class. Students are required to provide their grades of their MTDA, AP and Dual Credit classes to the MTDA/Dual Credit/AP teacher every Monday. Students involved in Middle School or High School activities who fail a class at the end of the quarter will be ineligible for 16 school days and must make arrangements with their teacher for extra help.

NON-PARTICIPATING STUDENTS ATTENDANCE TO ACTIVITIES

To attend a post-season event, the following must be done to obtain permission to attend:

- Students must sign up to attend the post-season event in the office one day before the event.
- Students must not have an “F”, must have a 2.0 grade point average, and be in good standing behaviorally.
- Everyone is expected to be in school on time the day following night games. When the proper procedure is followed, the student may attend the event and the absence will not count toward the eight-day rule. You are encouraged to plan ahead; get signed up and get your work done, then enjoy the event.

ASSUMPTION OF RISK STATEMENT

(School Board Policy #2151)

The coach/advisor/director, any other member of the school staff, or any member of the Board of Trustees will not be held liable or responsible in case of an accident incurred during practice, games, meets, matches, tournaments, concerts, or trips supervised by the District. Each parent or guardian will be responsible to sign an “assumption of risk” statement indicating that the parents/guardians assume all risks for injuries resulting from such participation.

FUNDRAISING

Fundraisers must be for non-profit, student groups and specifically related to school activities. The Principal and Activity Director will oversee a master schedule of activities and review and approve all proposals. All student groups must submit proposals for approval by completing a Fundraising Request Form in the fall of each school year to the Activities Director. Only school group fundraising is permitted. Individual students are prohibited from conducting fundraisers. At no time can a fundraising activity interfere with instruction or the school program. There is to be no solicitation of school personnel in the building before, during, or after school.

V. General Information

BOARD POLICY

The District School Board Policy is available for inspection on the school’s website.

EMERGENCY CLOSURES

(School Board Policy #2221, 221P)

In the event of hazardous or emergency conditions, school may be closed or schedules altered to provide delayed openings of school and/or early dismissal of students as appropriate.

In the event of delayed openings or school closures Infinite Campus ShoutPoint Messenger system will be used to notify parents, students, and staff. In the event that severe weather, fires, power failures, or natural disasters occur during non-working hours, local radio and/or television stations will be asked to broadcast notification of the closing. In addition, information will be posted on the school website and appropriate social media platforms.

Electrical outages are often the result of hazardous weather conditions leading to school closure. Parents may not have access to a radio or television in these circumstances. In the event of a school closure while students are not in session coupled with power outages, teachers in grades K1-6 will make an earnest attempt to contact each parent by phone if possible so that each family is informed.

FAMILY INVOLVEMENT

Parents are urged to attend these conferences as they are a vital tool in understanding their child’s progress and individual problems. Special conferences can be held at any time by contacting the teacher or school office.

Family Night

The Cascade School Board has designated Wednesday evening as Family Night. There will be no school related student activities scheduled after 6:00 PM on Wednesdays. It is further recommended that no activities be scheduled for students in grades K1-5 after 5:00 PM on Wednesdays.

STUDENT FEES, FINES, AND CHARGES

Within the concept of free public education, the District will provide an educational program for students as free of costs as possible.

The Board may charge a student a reasonable fee for any course or activity not reasonably related to a recognized academic and educational goals of the District or for any course or activity taking place outside normal school functions. The Board may waive fees in cases of financial hardship.

The Board delegates authority to the Superintendent to establish appropriate fees and procedures governing the collection of fees and asks the Superintendent to make annual reports to the Board regarding fee schedules. The Board also may require fees for actual cost of breakage and for excessive supplies used in commercial, industrial arts, music, domestic science, science, or agriculture courses.

The District holds a student responsible for the cost of replacing materials or property that are lost or damaged because of negligence. A building administrator will notify a student and parent regarding the nature of violation or damage, how restitution may be made, and how an appeal may be instituted. The District may withhold a student's grades or diploma until restitution is made. **Students who have outstanding fees at the start of each quarter will not be allowed to participate in any activity until the fees have been paid.** A student or parent may appeal the imposition of a charge for damages to the Superintendent and to the Board.

FEDERAL PROGRAM INVOLVEMENT

The District has available the following federal programs, and informs you of your right to participate: Title I-Chapter I, Title VI-ESEA Chapter II, Special Education Services, Title IV-Drug-Free Schools and Communities, Title II-Dwight D. Eisenhower, and Title VII-Emergency Immigrant Education Program. A description of each program and more information can be obtained by contacting the superintendent's office.

Discrimination—Title IX and Section 504

No person in the District shall, on the basis of sex, religion, race, or handicapping condition, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity. **Cascade Public Schools Title IX and Section 504 Compliance Coordinator is the Principal.**

McKinney-Vento Homeless Assistance **(School Board Policy #3125, 3125F)**

Every child of a homeless individual and every homeless child are entitled to equal access to the same free, appropriate public education as provided to other students. The District must assign and admit a child who is homeless to a District school regardless of residence and irrespective of whether the homeless child is able to produce records normally required for enrollment. The District may not require an out-of-District attendance agreement and tuition for a homeless child. A "homeless individual" is defined as provided in the McKinney Homeless Assistance Act.

Should a child become homeless over the course of the school year, the child must be able to remain at the school of origin or be eligible to attend another school in the District. Homeless Students will have access to services comparable to those offered to other students, including but not limited to:

- Transportation services;
- Educational services for which a student meets the eligibility criteria (e.g., Title I);
- Educational programs for children with disabilities and limited English proficiency;
- Programs in vocational and technical education;
- Programs for gifted and talented students; and
- School nutrition program.

The Superintendent will give special attention to ensuring the enrollment and attendance of homeless children and youths not currently attending school. The Superintendent will appoint a liaison for homeless children.

A "homeless individual" is defined as provided in the McKinney Homeless Assistance Act.

Anyone having a concern or complaint regarding placement or education of a homeless child should first present it orally and informally to the District homeless liaison. Thereafter, if a written complaint will be filed a McKinney-Vento Homeless Education Assistance Dispute Resolution form can be obtained from the District homeless liaison or the District office. **Cascade Public Schools homeless liaison is the school counselor.**

LAW ENFORCEMENT

Questioning of Students

When law enforcement officers or other lawful authorities wish to question or interview a student at school:

- The principal will verify and record the identity of the officer or other authority and ask for an explanation of the need to question or interview the student.
- The principal ordinarily will make reasonable efforts to notify the parent unless the interviewer raises what the principal considers to be a valid objection. Per State Law, a parent is NOT required to be present during questioning.

- The principal ordinarily will be present unless the interviewer raises what the principal considers to be a valid objection. The principal will cooperate fully regarding the conditions of the interview, if the questioning is part of a child abuse investigation.

Students Taken into Custody

State law requires the District to permit a student to be taken into legal custody:

- To comply with an order of the juvenile court.
- To comply with the laws of arrest.
- By a law enforcement officer if there is probable cause to believe the student has engaged in delinquent conduct or conduct in need of supervision.
- By a probation officer if there is probable cause to believe the student has violated a condition of probation imposed by the juvenile court.
- To comply with a properly issued directive to take a student into custody.
- By an authorized representative of Child Protective Services, Montana Department of Protective and Regulatory Services, a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in the Montana Code relating to the student's physical health or safety.
- Before a student is released to a law enforcement officer or other legally authorized person, the principal will verify the officer's identity and, to the best of his or her ability, will verify the official's authority to take custody of the student.

The principal will immediately notify the superintendent and will ordinarily attempt to notify the parent unless the officer or other authorized person raises what the principal considers to be a valid objection to notifying the parents. Because the principal does not have the authority to prevent or delay a custody action, notification will most likely be after the fact.

STUDENT RECORDS

A student's school records are confidential and are protected from unauthorized inspection or use. A cumulative record is maintained for each student from the time the student enters the District until the time the student withdraws or graduates. A copy of this record moves with the student from school to school. By law, both parents, whether married, separated, or divorced, have access to the records of a student who is under 18 or a dependent for tax purposes. A parent whose rights have been legally terminated will be denied access to the records, if the school is given a copy of the court order terminating these rights. Records may be reviewed during regular school hours, upon completion of the written request form. The records custodian or designee will respond to reasonable requests for explanation and interpretation of the records. If circumstances prevent a parent or eligible student from inspecting the records, the District will either provide a copy of the requested records or make other arrangements for the parent or student to review the requested records.

Parents of a minor or of a student who is a dependent for tax purposes, the student (if 18 or older), and school personnel with legitimate educational interests are the only persons who have general access to a student's records. "School officials with legitimate educational interests" include any employees, agents, or Trustees of the District; cooperatives of which the District is a member; or facilities with which the District contracts for the placement of students with disabilities, as well as their attorneys and consultants, who are:

- Working with the student;
- Considering disciplinary or academic actions, the student's case, an individual education plan (IEP) for a student with disabilities under IDEA, or an individually designed program for a student with disabilities under Section 504;
- Compiling statistical data; or
- Investigating or evaluating programs.

The parent's or student's right of access to, and copies of, student records does not extend to all records. Materials that are not considered education records, such as teachers' personal notes on a student that are shared only with a substitute teacher, records pertaining to former students of the District, and records maintained by school law enforcement officials for purposes other than school discipline do not have to be made available to the parents or

student.

Certain officials from various governmental agencies may have limited access to the records. Military recruiters and institutions of higher education may request and receive the names, addresses, and telephone numbers of all high school students, unless the parent(s) notifies the school not to release this information. The District forwards a student's records on request and without prior parental consent to a school in which a student seeks or intends to enroll. Records are also released in accordance with court order or lawfully issued subpoena. Unless the subpoena is issued for law enforcement purposes and the subpoena orders that its contents, existence, or the information sought not be disclosed, the District will make a reasonable effort to notify the parent or eligible student in advance of compliance.

Parental consent is required to release the records to anyone else. When the student reaches 18 years of age, only the student has the right to consent to release of records.

Students over 18, and parents of minor students may inspect the student's records and request a correction if the records are inaccurate, misleading, or otherwise in violation of the student's privacy or other rights. If the District refuses the request to amend the records, the requestor has the right to ask for a hearing. If the records are not amended as a result of the hearing, the requestor has 30 school days to exercise the right to place a statement commenting on the information in the student's record. Although improperly recorded grades may be challenged, parents and the student are not allowed to contest a student's grade in a course through this process. Parents or the student have the right to file a complaint with the U.S. Department of Education if they believe the District is not in compliance with the law regarding student records.

Parents may be denied copies of a student's records (1) after the student reaches age 18 and is no longer a dependent for tax purposes; (2) when the student is attending an institution of postsecondary education; or (3) when the District is given a copy of a court order terminating the parental rights. If the student qualifies for free or reduced-price meals and the parents are unable to view the records during regular school hours, upon written request the parent, one copy of the record will be provided at no charge.

Certain information about District students is considered directory information and will be released to anyone who follows procedures for requesting it, unless the parent objects to the release of any or all directory information about the child. The opportunity to exercise such an objection was provided on the form signed by the parent to acknowledge receipt of this handbook. Should circumstances change, the parent can contact the principal to indicate his or her desire to change the original request. Directory information includes: a student's name, address, telephone number, date and place of birth, participation in officially recognized activities and sports, weight and height of members of athletic teams, photographs, dates of attendance, awards received in school, and most recent previous school attended.

Special Education Records

Parents of a student with disabilities who has been provided special education services by the District will be notified when any information that specifically identifies the student is no longer needed. If the parent requests destruction of the information and the time established by law for retention has expired, the records will be destroyed. However, if the retention period established by law has not expired, the material will be deleted from the records but the records will be maintained until the time has expired.

Student Directory Information

The District will maintain two (2) sets of school records for students: a permanent record and a cumulative record. A permanent record consists of basic information that identifies the student, academic transcripts, immunization records, and attendance records. The cumulative record may include but is not limited to aptitude test results, psychological reports, achievement test results, record of extracurricular activities, honors and awards received, teacher anecdotal records, and disciplinary information.

The Family Educational Rights and Privacy Act (FERPA) affords parents, guardians, and students over eighteen (18) years of age certain rights with respect to a student's education records. These rights include:

- The right to inspect and copy the student’s education records, within a reasonable time from the day the District receives a request for access.
- The right to request an amendment of student’s education records which the parent(s), guardian(s) or eligible student believes are inaccurate, misleading, irrelevant, or improper.
- The right to permit disclosure of personally identifiable information contained in the student’s education records, except to the extent that FERPA or state law authorizes disclosure without consent.
- The right to a copy of any school student record proposed to be destroyed or deleted.
- The right to prohibit the release of directory information concerning the parent’s or guardian’s child.

Throughout the school year, The District may release directory information regarding students. The following is a list of what The District defines as directory information:

- Student name
- Photograph
- Dates of attendance
- Grade level
- Weight and height of members of athletic teams
- Honors and awards
- Enrollment status (full or part-time)
- Participation in activities and sports
- The right to request that information not be released to military recruiters and/or institutions of higher education. By federal law, the District is required to release the names, addresses, and telephone numbers of all high school students to military recruiters and institutions of higher education upon request. Parent(s)/guardian(s) or eligible students may request that the District no release this information and the District will comply with the request. Parents, guardians, and eligible students should refer to the Student Directory Information Notification form in the yearly August Newsletter and also picked up in the student office. The form should be signed and returned to the school within ten (10) days of receipt of this handbook ONLY if you do NOT want directory information about your child disclosed to a third party in accordance with FERPA. If no response is received, the District will disclose all student directory information at its discretion and/or in compliance with the law. Note: If a student’s name, grade level, or photograph is to be withheld, the student will not be included in the school’s yearbook, program events, or other such publications.
- The right to file a complaint with the U.S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. Parents, guardians, and eligible students should refer to the Student Directory Information Notification form which can be requested from the student office. Parents may check off any combination of boxes if they do NOT want directory information provided to any or all entities. The form must be signed and returned to the student office within ten (10) days of receipt of this handbook (Board Policy #3600).

Married Students

Married students may continue their “basic” education in our school. They may be members of school organizations and participate in extracurricular activities. All students between the ages of 7 and 15 must attend school unless excused by Montana law 20-5-102. Students who enter the school year late or exit early must make up all work to receive credit for that grading period. Those late entering students will also have their attendance for the current year counted toward CHS attendance roll.

HEALTH

The District is committed to providing school environments that promote and protect children’s health, well-being, and ability to learn by supporting healthy eating and physical activity. To achieve that goal, The District will provide all students (K1-12) the opportunity, support, and encouragement to be physically active on a regular basis. The school will provide nutrition education and physical education to foster lifelong habits of healthy eating and physical activity. Further, foods and beverages sold or served at school (during regular school hours) will meet the nutrition recommendations of the U.S. Dietary Guidelines for America.

Wellness Policy Guidelines and Goals

All foods and beverages sold individually (including those sold through a la carte lines, vending machines, student stores, or fundraising activities) during the school day will meet federal nutritional guidelines, including the following: No soft drinks or sports drinks will be allowed, and any food items sold individually will have no more than 35% of its calories from fat.

The District will make attempts to provide physical opportunities before, during, and after school, so that students can have opportunities to meet the national goal of 60 minutes of physical activity per day. This may include, but will **not** be limited to, extracurricular physical activity programs, interscholastic sports programs, or P.E. during school hours.

Illness During School

Students who at any time feel ill in school are urged to report to any teacher or the office. A sick room with minor first aid equipment is available to students. Minor first aid will be administered to students.

Every effort will be made to contact parents or guardians concerning serious illness or injury. If a parent or guardian cannot be located or is unable to transport students to a medical facility, the District will see to it that the student is transported.

Students who have a temperature that exceeds 100 Degrees F. will be sent home.

Conjunctivitis: Students who are diagnosed to have this condition must remain at home for no less than 24 hours after beginning medical treatment.

Health Checkups

Throughout the school year, the District provides the opportunity for selected grade level students to participate in screenings conducted by the City-County Health Department and/or our school.

Students may enter the PTSA Reflections Program as part of classroom activities or individually.

Any parent(s)/guardian(s) or eligible student may prohibit their child from participating by delivering a written objection to the building principal within (30) days of the date of this notice. No screening or local judging of PTSA entries will be conducted within this time period, unless the parent(s)/guardian(s) or eligible student are specifically informed otherwise.

Head Lice

Due to its contagious nature, any student found to have head lice and/or nits, will be removed from class, and parents/guardians will be notified to take their child for treatment. Said student will be checked upon his/her return to school and should be able to offer proof of treatment which would include the total absence of any lice, and/or nits. Please note that re-admittance to class will depend upon the success of the treatment rendered.

Insurance

Students in the District will not receive insurance coverage paid for by the District. Students may purchase coverage at their own expense. These forms are available at the student secretary's office. It is the student's responsibility to send the insurance policy to the company.

Medication

The administration of medication to students in schools is permitted with written authorization of a physician or dentist and that of a parent, guardian, or caretaker relative. Proper authorization forms must be on file at the office for a student who needs to carry and self-administer specific medication on school grounds or at school sponsored activities. The authorization form must be completed by the prescribing physician and an authorizing parent, guardian, or caretaker relative. When applicable, and Education Authorization Affidavit must be completed and signed by a caretaker relative for the current school year. Students who self-administer using epinephrine during school hours must immediately report to the school office, classroom teacher, or principal so that follow-up care can be provided.

If, under exceptional circumstances, a child is required to take oral medication during school hours, and the parent cannot be at school to administer the medication; then the following procedure will be used:

Written instructions signed by parent and physician (school form letter included in this handbook) will be required and will include:

- Child's name
- Name of medication
- Purpose of medication
- Time to be administered
- Dosage
- Possible side effects
- Termination date for administering the medication.

The medication must be brought to school by the parent or guardian in a labeled container as outlined above. It should be taken to and left at the student office for proper handling. The parent may bring medications for no more than one week at a time unless special arrangements are made through the office. Each initial daily dose must be administered at home by the parents, to avoid adverse reactions from occurring at school. School personnel may assist the student by reminding him/her what time to take the medication.

The school will:

- Contact the parent to discuss the medication request.
- Inform appropriate school personnel of the medication.

The parent of the child must assume responsibility for informing the school of any change in the child's health or change in medication. **The District retains the discretion to reject requests for administration of medicine.**

Asbestos Management Plan

The District has an Asbestos Management Plan that is available in the maintenance supervisor's office. The plan is available for inspection by contacting the superintendent.

- Stay off the road while waiting for the bus.
- Do not move toward the bus until it has come to a complete stop.
- Where it is necessary to cross the highway, proceed to the front of the bus on the right shoulder of the highway where oncoming traffic can be seen in both directions. Wait for a signal from the bus driver permitting you to cross.

While Riding the Bus

- In the event of a road emergency, remain in your seat until instructions are given by the bus driver.
- Students are to remain in their seats until they reach their destination and the bus has come to a full stop.
- Be absolutely quiet when approaching a railroad crossing stop.
- Avoid loud talking and laughing or unnecessary confusion.
- It is not permissible to throw anything within or out of the bus.
- Keep head and hands inside the bus at all times.
- Keep all articles out of the aisles.
- Help with the bus cleaning; do not throw refuse on the floor.

Exiting the Bus

- Exit the bus in a quiet and orderly manner.
- Be sure to take all your belongings with you.

Guest Riders

Students who normally do not ride a given school bus will be considered guest riders and may ride if the following conditions are met as such requests aren't on a regular basis. Determination of what is "regular basis" will be made by the principal. Guest riders must provide the transportation supervisor with a note written and signed by the parent or guardian. It will state the specific day and time transportation is requested, and the name of the person the guest is riding with. Upon receiving approval from the driver, the guest rider will be expected to abide by all rules and regulations set up for regular riders. The bus driver will not allow the guest rider to exit the bus unless the specified individual who is named in the note is present to receive the student. If no one is present to assume responsibility for the guest rider, he or she will remain on the bus until it returns to the District. Parents are expected to provide an alternative arrangement in the event the child is returned. This last stipulation does not apply if guest rider is riding directly to a regular rider's home.

Student Conduct on School Buses

The bus driver will have the responsibility to maintain orderly behavior of students on school buses and will report misconduct to the student's principal **ASAP**. The school principal will have the authority to suspend the riding privileges of students who are disciplinary problems on the bus. Parents of children whose behavior and misconduct on school buses endangers the health, safety and welfare of other riders will be notified that their children face the loss of school bus riding privileges in accordance with the student discipline code. The safety of students during their transportation to and from school is a responsibility which the students and their parents share with the bus driver and school officials.

The school wants students to know what is expected of them when they wait for and ride on a school bus. Therefore, the rules of student conduct will be issued to every bus riding student at the beginning of the school year. Students who fail to observe these rules will be subject to immediate disciplinary action, since their failure to do so may affect the safety of others. A student who misbehaves will be reported by the driver to the principal on the same school day, if the incident occurs in the morning, or the next morning, if it occurs in the afternoon. The following action will be taken:

The principal will determine if the offense warrants parent notification.

These offenses warranting parent notification will result in:

- *First Offense:* A warning card describing the incident will be sent home. The card must be signed by the parent and presented by the student to the driver for signature when the student next boards the bus and must then be returned to the principal.
- *Second Offense:* A card clearly labeled as Offense #2 will necessitate the parents appearing with the child in a meeting with the principal before the student may ride the bus again. A disciplinary plan will be developed with a possibility of up to 15 days lost bus ridership.
- *Third Offense:* A third offense card (so labeled) will result in suspension of bus riding privileges for a period of up to 30 days with possible additional disciplinary actions assigned by the principal.
- Any further offense will result in up to 45 days lost ridership or a maximum of permanent lost-ridership.
- Riding days lost during the last month of school will carry from school year to school year.
- Excessively dangerous behavior will result in immediate disciplinary action by the principal.
