Badgerball Camp Will Make You a Better Player!

Don't wait until next season...

- In order to build a great basketball program, players and parents need to understand that greatness takes hard work, effort, dedication, and skill development. At Badgerball Camp, we believe that the fundamentals, combined with a winning attitude and desire to become better, will lead to sustained success, both on and off the basketball court.

Badgerball Camp

About Us

Entering its third year, Badgerball Camp is Cascade's official basketball camp for boys entering grades 3-12. For ten hours during the week, players will improve on the fundamental skills that make them strong, smart, and successful on and off the court while building a solid future for Badger basketball.
