

Badger PE Ski & Snowboard Day  
At  
SHOWDOWN MONTANA

To: Parents and Guardians of 7th and 8th grade ski/board day participants

The 7th graders will be heading to Showdown for a day of skiing and snowboarding on Friday, March 5th. The 8th graders will be going on Friday, March 12. As you all know the weather can be unpredictable so please dress appropriately. Please bring the following items: snow pants, snow jacket, warm hat, warm gloves, insulating layers (bottom and top), fleece or hoodie, extra socks, goggles or glasses, scarf or neck gaiter, and a helmet (optional). Sunscreen is also recommended. Students are advised to dress in layers and bring extra socks just in case.

Students will be eating lunch at Showdown so they will need to bring lunch or money to purchase lunch there. They do offer a lunch special for \$10.

Please meet at the Commons doors. We will be leaving Cascade at 7:00 am. Please arrive between 6:45-6:55. **Please make sure you have a mask because these will be required to ride the bus.** We will be stopping in Ulm at 7:15. We should arrive back at Cascade at 6:00 pm and will stop in Ulm on the way home. There is no cell service at Showdown, so we will have the students call home when we reach Great Falls to let you have a better idea of arrival. If you are meeting us in Ulm for a return pick-up, please understand that we will not leave students there unattended. If a ride is not there to pick up your child, we will bring your child back to Cascade where they can be supervised until your arrival. Thank you for understanding.

We are looking forward to another great day on the mountain.
