

# BUCKLE UP CASCADE!

**A friendly reminder from City County to ALWAYS wear your seat belt.**

A recent observational study conducted at Cascade School concluded that **51%** of drivers and **40%** of passengers were **NOT** wearing their seat belts. Please buckle up, it might one day save your life.

**A total of 154 roadway fatalities have occurred in Montana as of September 2021. Of these 154 fatalities, 49.3% were NOT wearing seat belts.**

---

**Seat belts are the single most effective safety technology in the history of the automobile**

---

**Combining all unintentional injury deaths in the U.S. among those between 0 and 19 years, motor vehicle traffic-related deaths were the leading cause (CDC, 2019).**
