

Applications NOW OPEN!

GIRLS LEADERSHIP PROGRAM

The Red Ants Pants Foundation Girls Leadership Program focuses on bringing together girls from all across Montana, recognizing the unique experiences of girls from rural communities, and builds upon the strengths of these experiences.

HOW IT WORKS:

Eight girls in their junior year of high school will be selected to participate in the program and are matched with eight female mentors along with a team of professional facilitators. Participants attend three multi-day retreats throughout the year where we take a deep dive into topics ranging from communication to project management, emotional intelligence and resilience.

Participants develop a community leadership project and receive professional mentored support to bring their projects to life. Our growing network of GLP alumnae continue to create incredible positive ripple effects wherever they go. Apply today, make an impact, and become a part of our GLP network!

Apply by September 11th for October 2024 Start!
